

AL MAZAYA HOLDINGS ANNOUNCES CITYSCAPE DUBAI PARTICIPATION

Press Release
Dubai: 7th Sep 2015

Leading Gulf real estate developer Al Mazaya Holdings will exhibit at Cityscape Dubai between September 8 and 10 at Dubai World Exhibition Centre.

Al Mazaya will use the industry event to showcase its latest highly sought-after developments, including the Queue Point and Queue Line projects in Dubai and the Ritim Istanbul project in Turkey.

Speaking ahead of the event, Al Mazaya Marketing & Sales Director, Jasem Al Ghanim said: “We are very much looking forward to being involved at Cityscape Dubai in September and to displaying our latest projects, which set new standards in craftsmanship, value and desirability in the region.

“Queue Point project in Dubailand offers 52 high-quality building priced to meet demand from the middle income sector of the Dubai property market.

“The Queue Line project, also in Dubailand, offers residential apartments in four buildings ranging in height from nine to fourteen storeys. Both developments are integral parts of beautifully designed, modern communities, and both present opportunities for optimal family living.

“The Ritim Istanbul development in Turkey, the result of a joint venture with Dumankaya Real Estate, is a mixed residential-commercial development, offering luxurious apartments and superb office space in six purpose-built towers, right in the heart of Istanbul.

“We look forward to welcoming as many people as possible to our stand at Cityscape and to showing off our capabilities as the Gulf’s leading property developer of choice.”

Al Ghanim added that Al Mazaya would offer visitors to its stand at Cityscape special offers on property at Queue Line and Queue Point.

Other Al Mazaya projects in Bahrain, Oman and Qatar will also be on display at Cityscape.

Al Mazaya Holdings is listed on the stock exchanges of both Dubai and Kuwait.
