

Al Mazaya Holding will dedicate its participation at the 2nd Cityscape Kuwait Exhibition to showcase a various set of prominent & pioneer projects in the Region.

Cityscape Kuwait is a unique and premier platform that aims to promote and support our vision in enhancing our position as one of the major real estate investment and development companies in the region. With the continuing developmental operations of our projects in various countries in the region, we are currently intensifying our efforts to unleash more distinctive investment horizons in our projects. The Exhibition will be an opportunity to communicate with the society of investors in Kuwait, allow us to take a look on their aspirations and identify the latest trends and requirements of individual end-users. We are utterly confident that our projects would find positive echoes at Cityscape Kuwait Exhibition. We are also sure that they would attract significant attention for their strategic locations entitling them to be the perfect destination for investment and housing and for their profitable investment returns.

Al Mazaya Holding will dedicate its participation at the 2nd Cityscape Kuwait Exhibition to showcase a various set of prominent and pioneer projects in the region, including the "Queue Point" project in Dubai Land, which offers 52 high-quality building priced to meet demand from middle income sector and the "Queue Line" project, being an extension to "Queue Point" project and consists of four residential buildings, ranging in height from nine to fourteen levels, over a total area of approximately 150,000 square feet.

During "Cityscape Kuwait", Al Mazaya will also present its Ritim Istanbul development, as a joint venture with Dumankaya Real Estate. It consists of 6 towers; three of which will serve the residential sector and the other three towers will be used as offices. In addition, the project includes a commercial mall over an area exceeding 22,000 square meters. Moreover, Al Mazaya will showcase "Al Mazaya Residence" in the Sultanate of Oman with its strategic location near the new commercial centers and behind Muscat City Center. It includes 1, 2 and 3-bedroom residential and commercial units in a various range of areas; which are readily available for sale or rent.

Al Mazaya confirms that Cityscape Kuwait will witness the provision of profitable offers at competitive rates on all its presented projects.
